“ *Victor was a brother to me, and he still is. I'm so mad that I couldn't make the trip but I know he's in a better place. He left 2 cool kids and a bunch of memories. I loved the guy, and I know he's looking at us now. I hope everybody out there stays safe. He will forever have a place in my heart. I hope everybody stays strong, and know that even though I'm not there physically on his last days I will never forget him.*
