“ I had the honor to serve on the Public Education Commission with Vince. He was kind and hard working, a great mentor

Pattie Gipson - October 14, 2020 at 02:00 PM

Like Chair Gipson, it was my honor to serve with Vince on the PEC. During the short time his health was good enough for him to be chair, he did an amazing job explaining what the Commission was doing and why so we new people could understand what was occurring and vote accordingly. His passing is all our loss.
