A tribute of Vincent's life may be found at www.andersonbethany.com where you may leave memories and expressions of sympathy for his family.

On January 6, 1955, Vincent was born in Opelousas, Louisiana to the late Mr. Constant Vincent LaHaye Jr. and Audrey M. LaHaye. He was raised in the Catholic faith. He graduated from the University of Southwestern Louisiana with a Bachelor of Science Degree in Geology. Vincent then pursued employment in Exploration Geology and Environmental Science for many years. In 1991, he moved to New Mexico.

An avid outdoorsman, he loved cooking, camping, boating, scuba diving, hunting and fishing. For over ten years, he was a supporter of his son's Boy Scout Troop. Vincent was a great baseball coach too in his early years. He loved westerns, especially the ones of John Wayne. Vincent was a collector of many things, a few were arrowheads, butterflies and rocks. He wanted to be a knife maker and gunsmith like his father. Vincent loved spending time with his family; he loved them more than anything else. Vincent enjoyed life to the fullest. He was deeply loved and will be greatly missed by his family and all who knew him.

Left to cherish Vincent's memory are his loving wife of 35 years, Kathryn and

son, Christopher W. LaHaye of Roswell; brother, Michael LaHaye and wife, Betty of Louisiana; sisters: Rachel Pool and husband, Bill of Louisiana, Harriet Hebert of Louisiana; and numerous nephews and nieces.

“ *Dear Kathy and Chris, the Vince's passing was just as painful as my own dad's. I sure do have many many fond memories of him as he was almost like my "second dad" of sorts as Chris and I were growing up. I think of you all and the rest of your families daily, and pray for you all the time. Hope you all are doing well, and hope to see you all again sometime soon! Just know that Vince is up there in heaven or wherever he may be all while being reunited with past family and friends including dad, and they are having one heck of a party while all while watching over and guarding each and every one of us down here until we meet them again someday. Love you all, and again know you all are in my prayers.*

“ *My memories of Vince are all warm thoughts. A guy's guy with a touch of gentleman (heavy on the gentle). Without having had much contact since Acadiana days I know, by reading his obituary, that he was still that adventurous soul who will be sorely missed by all whom he loved and who loved him.*

“Great memories of high school and after with Vince. My name is Joe Lyons and we graduated from Acadiana High in 1973. A gentle giant for sure. Nobody wanted to wrestle him in P E so i volunteered. Big mistake. He threw me down on my shoulder real quick landing on top of me and it was instantly over as i went limp due to extreme shoulder pain. i am very sad to hear of his passing. Wish we would have had more time together as we both went our separate ways. The picture of him and the whitetail deer makes me wonder if he loved deer hunting as much as i do? If so, sure do wish we could have made a hunt together. My deepest condolences. GOD BLESS HIS SOUL.

“Oh Vince, been a very long time since we saw each other but I have thought of my childhood friends frequently. I am so sorry you passed away at such a young age. You were one of the nicest guys I have ever come across, I always enjoyed your company when we were kids. Wish I would have been closer to you as an adult, but you moved so far away. Rest in peace old friend, till we meet again.
