“ *This post suggested that I share memories. I have so many memories. I was blessed to work with Vince off and on for 24 years. I learned so much. He exemplified what a true Christian should do from dealing with my inexperience when I first started working, from dealing with me being at times so full of myself. From giving me advice on dealing with others especially my Children. Vince was a truly good man, very intelligent and truly had integrity. You will be missed more than You ever knew.*

“ Vincent was a kind man. He invited me to church several times. We had some good talks about their sanctuary in the mountains.. You made a difference.
