“ *I am so sorry to hear about the loss of my uncle Vicente. I can remember back in the day when the brothers including my dad Frank, Vicente, and Fred, used to play dominoes and cards at the house. The smell of their cigarettes and sounds of their laughter would fill the air. As a kid they were the best of times. I will forever miss them. So I hope you find some comfort in your loss to know that you do not mourn alone.*
