“ *Safely Home*

I am home in Heaven, dear ones Oh so happy and so bright There is perfect joy and beauty In this everlasting light All the grief and pain are over Every restless tossing passed I am now at peace forever Safely home in Heaven at last Did you wonder how I so calmly Trod the valley of the shade? Ah but the love of God illumined Every dark and fearful glade And He came Himself to meet me In the way so hard to tread And with His arm to lean on Could I have one doubt or dread? Then you must not grieve so sorely For I love you dearly still Try to look beyond Earth's shadows Pray to trust our Father's will There is work still waiting for you So you must not idly stand Do it now while life remaineth You shall rest in our Father's land When the work is all completed He will gently call you home Oh the rapture of that meeting Oh the joy to see you come!
