“ *I saw Virginia only once after leaving Roswell in 1987. I have not, nor will I, ever forget what a great influence she had on my children as an employer and mentor. She was a customer as well as a friend when I was at Southwest Distributing and I was a customer and unpaid salesman for her at Cattleman's. I cannot say enough good things about my memories of the relationship my family enjoyed with her. Please accept my heartfelt condolences and know that she will live on in our hearts and memories.*

“ Dear Uncle Tom and Family, I am so sorry for the loss of Aunt Virginia. She was very special to me. I have so many fond memories of her. She always had a way of making thing so much better. There wasn't anything she couldn't do, and made everything so easy. She had so many talents, and so very kind to share them. I learn such great strength from her, she often told me that was nothing to hard to accomplish. And she complete everything she set her mind to. I'm so proud to have known her and to call her my Aunt Virginia.
Love to all

Mom, you would've been proud of the Thanksgiving dinner I fixed for Dad!

I miss you everyday Grandma. Not a moment goes by that I don't think of you or something that reminds me of you. I hate that I can't just pick up the phone and talk were we left off, from our last conversation. The girls made your awesome cranberry-relish for Thanksgiving. Kylie said in honor of you. We will all miss you very much.
