

Virginia A. Archuleta

March 25, 1932 - November 20, 2020

Virginia was born in Las Vegas, NM on March 25th, 1932.

She was preceded in death by 4 of her children, Ralph Lee, Jeff, Lydia and Sugar (Mary) and her grandson Alexander.

She is survived by her 3 children Del, Ida, Cynthia and many many relatives.

She was a wonderful loving and caring Mother, Grandmother, Great Grandmother and Great great Grandmother. A very kind and giving person who would always help anyone in need, even perfect strangers. She loved music and she loved to dance ,she was our "Pretty Woman"! When the weather was cold she would warm our coats over the lit stove so we would be warm before we walked to school. We could not count the thousands of tortillas she made for us for every meal with those loving hands. Everyone she met loved her, she had a beautiful soul.

Thank you Ida for taking care of our beautiful Mother for so many years, now it's Lydia and Sugar's tum to take care of her in heaven. Her love and memory will always be cherished by us all. Your beautiful voice can now join the choir of angels. We love you forever, your family.

Mathew 25-35-36 describes her perfectly.

For I was hungry and you gave Me something to eat; I was thirsty and you gave Me something to drink; I was a stranger and you took Me in; I was naked and you clothed Me; I was sick and you took care of Me; I was in prison and you visited Me. Fly with the Angels Pechie.

“ *My prayers are with the family during this difficult time. I will forever miss flying into Albuquerque and getting a rental car and heading to Roswell to visit my Aunt Virginia. One of my earliest memories of my Aunt Virginia was going to her house with my grandma after going to the Flea Market to drop off what my grandma bought her sister. I will certainly miss her sweet, sweet personality and always smile the moment we walk into her room. It might of taken her a couple of minutes to connect the dots of who I was and why I was visiting but once she did she smiled and just always said how beautiful I was and how proud her sister would be of me if she wasn't in heaven. Thank you Aunt Virginia for always allowing me to visit you and always giving the best hug and kiss to send me off too. I'm extremely blessed to have pictures to cherish of her meeting my first son. We will forever miss you*

“ Thoughts and prayers to the family. I was extremely sadden for hear about the passing of my Auntie Virginia- she was such a special person. She had an amazing gift of caring that no one can compare to. I use to love going over to her house, walking in you get the instant smell of homemade tortillas and beans. No matter what was going on in her life she always had a smile on her face. My favorite part of traveling back to New Mexico is our stop in Roswell and visiting her. Every time we would go see her she would just smile and tell us we need to back to New Mexico because Alaska was too cold. I would like to thank her for leaving me with the best memories.

“ *Last yr we went to the nursing home through my church, to sing Christmas Carol's. Virginia was sitting at a table listening and enjoying the caroling. I went over to her and told her "your Cynthia's mom, she's my coworker" all she wanted to do was hug me and give me a kiss. Such a sweet sweet lady.*
