“ I have nothing but good memories of my friend Virginia! I loved her. Still can't believe she's gone. :(I told her I'm leaving she over heard me and said, "Iva you're leaving." I said, "I'm not leaving. If I do I'm taking you with me!" I met her at joy center and it's been a little over a year. We went out to hang out with Belinda and had a good time.

She will never ever be forgotten. We picked names for secret Santa. Belinda told me Virginia picked herself so Belinda gave her who she picked, which was me. Belinda said that Virginia was happy because she like me. I'm didn't know this till after Virginia passed. I told Belinda, "All I wanted from her is to come back."
