Her most memorable moments were the times she spent with her best friends, who preceded her in death, her compadres: Terri and Moises Coronado. A LETTER FROM HEAVEN

When tomorrow starts without me,
and I'm not here to see,
if the sun should rise and find your eyes,
filled with tears for me.

I wish so much you wouldn't cry,
the way you did today,
while thinking of the many things,
we didn't get to say.

I know how much you love me,
as much as I love you,
and each time you think of me,
I know you'll miss me too.

When tomorrow starts without me,
don't think we're far apart,
for every time you think of me,
I'm right there in your heart.
