“ *Jake, Kay and all the Trujillo Family:*

I was saddened when I saw in Sunday's paper that your dear mother had passed away. I know you will miss her greatly. She was such a beautiful lady. I know she played a big part in your life. I know that it does not help much to hear that she is in a better place, but we can find some peace and contentment knowing that they really are in a better place. Please remember that my thoughts and prayers are with you, Kay and your family. Love to you all.
