“ I knew Vivian for many years and she was the most sweetest, most caring, lady I ever met. She had a heart of gold. I grew up with her grand daughters, who happen to be my best friends. Vivian always had a smile on her face and had the passion for helping others, which made her even more special. She was like another grandmother to me, always welcomed me in her home when I would visit, and made me feel I was part of the family. She will be missed tremendously and I'll always keep her close to my heart. I love you Vivian! ❤️

“ Our sincere condolences to Vivian's family. My husband George and I had the honor of knowing Vivian. She had the kindest heart, full of love, empathy, compassion and also spunky and full of life. We enjoyed so many laughs together . George would leave her blessings and prayers every morning for the past 20 plus years and if he forgot one day to call she would let him know it. We were so blessed to have known her for such a short time. Our thoughts and prayers are with her family and friends. George and Anita Rabb.
