“ *Mr. Lindley, you were always such a gentleman when you and your wife would come to Gladstone those very many nights to pick up Gene and wait so very patiently while Gene and I were talking. Thank you for being such a good role model, your son Gene has always been such a honorable man and now is a great husband to Julie and good Dad and a wonderful caring person. So grateful that you are free from pain and have recieved your heavenly grace.*

“ *Thanks Dad for being who you were. You taught me so much about life and how to be a good neighbor, husband, and co-worker. But probably your greatest legacy for me was how you treated my Mom like a Queen.*
