When she moved to Roswell, she continued Beta Sigma Phi membership with her sorority sisters of Laureate Alpha Iota and the Assistance League of Chaves County.

Wanda enjoyed reading, knitting, all crafts, playing the piano and her organ. She loved her family so much and they were her focus in life. If any of her family members needed her, she was there for them. One of her favorite sayings was "Families are forever and this is what families do for each other". Family events, whether large or small were her joy. She impacted each one of us daily with her love, strength, support and sharing. In her family's eyes, she was larger than life, softer in spirit and generous with her love, always!

Wanda's celebration of her life will be held at the Anderson Bethany Funeral Home Chapel on Monday, March 21, 2016, at 2:00 PM. A reception will follow at Sierra Fire Department, Fire Station #1 located at 603 S Brown Road, Roswell NM.
