“ *I was so blessed to know Leon and Wanell for so many years. Having worked with Leon as an employee and with Chaves County Search & Rescue back in the seventies, they both were so much fun to be around and always accepted me as family. I'm so proud to have known Leon and Wanell and will miss them both.*

“Wow! My thoughts and prayers are with you. It is hard losing one parent at such a young age much less both. Just keep the faith. With my deepest sympathy. I remember your Mom always with your dad at the service station and in the wrecker.
