“ So sorry to hear of Bill's passing. We went to Manzano High School together. Bill was a really good athlete. We played tackle football in the park on weekends. No one could tackle him. He just ran over people. One day at school, two people wanted to fight him on steps inside the school. He hit them both at the same time and knocked them down the steps. One with the left hand and one with the right. He was amazing. Gilbert Wright.

“ Ron and I send hugs and loving thoughts to all of you! Bill was my Step-Dad from the age of 6-18yrs, and always treated me as if his own. He actually encouraged me to join the military. I joined the Army straight out of high school, and am grateful for that experience, thank you Bill! Rest in peace. ❤️
