“ *Our family lived across the street from Bill's family when we were young kids. We used to play together- climbing in his trees, having balloon water fights... Even though I didn't see Bill more than a few times in later years, I will always remember how nice he was. Rest in peace, Bill- Condolences to you, Dorinne- Estelle Lehman (Matus)*

“ *Wild Bill Moss was a very dear friend, classmate and Rodeo buddy. We had some great times both in Roswell and at NMSU in Las Cruces. You could always count on Bill to have your back. My last visit with him was at our 50th RHS 62 class reunion and I will not forget him. My love and prayers to Dorrine and Bill Dan. Rest in Peace my friend.*

“ I met Bill at South Jr. High School in the 7th grade and we were friends through our graduation from RHS in 1962. It was always a low keyed good friend that rarely had a negative comment about others at school. Although I didn't see Bill often after graduation as I moved from Roswell to Texas, I did enjoy seeing and visiting with him at our numerous Class Reunions over the years. My condolences to Bill's family. I know they will miss a really good guy.
