“ *To the family, I am saddened to see that Bill passed away in 2019. I am related to Bill; we are cousins by the marriage of his mother, Grace, and my uncle Donald Selover. I remember Bill as a happy blonde boy who loved to play outdoors, especially playing ball. He was funny, athletic, and a bit shy. If the family is interested, I have many pictures of Bill and his family that were taken by my uncle, especially pictures of Grace. These date back to their wedding in the 60s, which I attended, plus photos of the family vacations they took in the 70s. I narrowly missed the opportunity to see Bill when I was in Roswell when John passed away, and I am sorry that I missed that opportunity. If the family is interested in these photos, I can be contacted at cliffordselover@gmail.com. Blessings to all. Sincerely, Cliff Selover*
