“ A dear man of God with passion...who imparted Gods love and desire for me through his time and prayer and laying on of hands and anointed me with oil.... In Kansas City ... Remains a dear friend who had a huge impact on my spiritual blessing, gift and growth, from which wonderful things spring boarded from. Forever grateful and will miss him dearly and every time I think or see Bargin Factory in Grandview, MO, I think of him!!!

I saw him several times worshipping The Lord in the prayer room in his preferred sitting area with cap on and and rocking in prayer with the love of his life right beside him, and when he could not go as often, I would see him joining in online! He loved organically grown foods and the organic truth of Gods word that he often enjoyed sharing his opinion on while playing cards.... Kings corner and Skip -Bo. I will always remember him wearing his favorite neckless. And his watch. And him driving his truck and his support pillow for his back.... He was covered with Gods grace, it would rock him, for he knew the pierced hands that guided him and the support of his Fathers love empowered with great strength in his inner man to maintain a straight path on a hard road mapped out before him all the while as time ticked he held fast His hope and Faith to the lover of his soul Those hands that played, also prayed and though grew weak, were ever strong in holding tight to Gods promises and strong and unrelenting, to lifting up Gods praises.

So sorry for all of our loss!!! Now my mom and Bill will finally meet!! He already got to meet my dad during the onething this last winter. My heart is heavy for you all and wish I could be there to say in person and give you many tight hugs

My tears and sadness mingles with yours...

And full of joy with Bill at his home coming and the shedding of suffering...

I love you Bellls(Donna)!!! And family!!

Prayers and love!!
