I do have some very fond memories of Bernie and one of the fondest involves a rattle snake in the back of his truck in a tool box.

“ Pat and family,
I remember lots of fun times with you guys and everyone when I lived in Deming. I last spoke with Bernie at Ed Davenport's services, a couple of years ago. As always, he had many great stories to tell about the two of them. My condolences to all.

“ I am very sorry to learn of Bernie's passing. Every memory I have of him brings a smile to my face and the stories I tell of him bring immeasurable joy to people who never had the opportunity to meet him. His sense humor, good natured demeanor and love of everything good in life are traits we should all emulate. Bernie will certainly be missed, but never forgotten.

“ Dear Green family. I was fortunate to share many crazy times in the company of your wonderful family. Shelly and I had many good times together and we know you will miss Bernie's laugh most of all. He was always so sweet to me when I would "invade" your families home to stay for the weekends just to be in town. Your were a special family to the Borde's and we have thought of you often since you left Deming. Shelly, I hope you are doing great. I would love to hear from you. Bernie was a unique individual who will be missed by so many people here in Deming. Pat, I hope you will be ok. Bernie was your biggest fan. Just know we are all thinking of you and feeling your loss as well. Love Gen Borde Wertz
