“ Billy (cookie) was my brother. He was always a thrill seeker. He had a VW blue bus & would take me out and make donuts in the snow. It was so fun. That was in Denver where we grew up. Other times we lived on a ranch in California. He had a little Honda 250 & would take me out riding on the back. He would pop these wheelies & one time I almost fell off. Scared the shit out of me but I was laughing all the way home. Yes he was a great brother & will be surely missed. I'm praying that he's up there with God right now. 🙏🙏🙏🙏🙏
