“ *I can't count how many hours, stories and memories I have of Bill. The earliest are of the Roundy Rounds crew pit in the early 90's. I won't ever drive into Roswell, looking to the right hand side by Price's and not think of him. He meant the world to Lindsey and I. I will forever look back and cherish at all the times we thought we were being drug to the dumb-nasty shop!! Bill will always hold a special place in my heart and will forever be missed.*

“ *I only knew bill for a few years, but there was a wealth of knowledge there that he was willing to share with others. Thank God he passed some of it on to his friends and to his grandsons. Always a story or a joke on his lips. He will be missed!*
