March 17, 2004 - August 4, 2024

William Nasrallah, born on March 17, 2004, in Roswell, New Mexico, passed away unexpectedly on August 4, 2024, in his home. Please take a moment and share a kind thought or memory with William's family at www.andersonbethany.com.

There will be a Visitation at Anderson Bethany Funeral Home and Crematory on Saturday, August 17, 2024, from 9 a.m. to 11 a.m. with a Funeral Service to follow at 11 a.m.

At just 20 years old, William left an indelible mark on the lives of those who knew him.

William attended New Mexico Military Institute for a brief period before choosing to work alongside his father at GN Construction. His dedication and work ethic were apparent to all who had the pleasure of working with him. He is survived by his loving parents: Joseph Nasrallah and Amanda Castillo; and his cherished siblings: Jacob and Emma Nasrallah; William's grandparents: Gaby and Linda Nasrallah and Charlotte Garcia, who held a special place in his heart; cousin and best friend, Freddy James; close friend, Kody Ridge, who was also an important part of his life.

William's passions included music, enjoying tacos, and shopping for watches and rings—he loved finding unique pieces that reflected his personality. He had a deep love for animals and was known for his kind and generous spirit and a heart of gold.

William's warmth and kindness will be deeply missed by his family, friends,

and all who knew him. His gentle soul and generous nature will be remembered forever.

William's tribute was lovingly written by his family

“ In your pic, such a small fish in comparison to your love-filled heart. I will miss the daily hugs I received every time we would see each other and the silly conversation's we would have back in the shop. You would come up with something really dumb and make me laugh. I'll always consider you a friend, thought of you as one of my own. Will miss you dearly.

“ William
I will treasure all the gifts you brought into this world. Especially your hugs! I wish I could hug you again. Heaven just stepped up its cool factor by a thousand fold. I'm sure you walked in with the biggest smile and asked Jesus if there's anything you can do for him. I know because that's what you called and asked me "Nana is there anything you need me to do?" I wish I could hear your voice. I miss you so much. Give my momma a hug for me. Love you forever.

“ I'll never forget the time that we all went fishing with your pops on the pontoon boat. We all laughed because you were using the most ridiculous lures. You slaughtered the bass that day and caught more than all the rest of us combined! You were a cool dude, (no matter how goofy you could be) and I'll always consider you a friend. My heart goes out to the family.
