“ *Our condolences go out to Wilma's family and friends. I always remember the comfort and care that she afforded my Mom, Josephine Montoya. My Mom's last years would not have been as is if not for Wilma. She was a sincere, loving, and very talkative person which my my Mom enjoyed thoroughly. Thank you for sharing this wonderful lady with our family. Rest in Peace, Wilma. God Bless!*

“ *My dear friend and neighbor. Oh how I will miss our chats. We shared so many laughs and some tears as well. You always reminded me so much of my Mama. Things won't be the same without you just across the street but I know I will see you again someday in heaven. Until then I know you are no longer in pain and you don't need that oxygen machine anymore. I know you are happy and free and visiting your loved one. I will keep all of your family in my prayers*
