Baby Girl I can see you in my mind, So beautiful, So dear. Even with time gone by, I still can't believe your really not here. Every day I still say "It can't be true!" How my heart breaks, Every day I miss you. I know just a little while longer And you'll be home. Until then, Jehovah's Spirit Keeps me from being alone. It is written, "God is near those crushed at heart." I know this is true Because mine has been torn apart. So much more I need to tell you, If only I could hold back these tears. My Baby Girl, My Loving Daughter, So Beautiful, So Dear.
