She will be having a celebration of life with her close friends and family. We will inform those when the time comes.

“ Michelle/ starshine met in Mirc. Chat room about 25 years ago. We used to chat all the time then started vidio chats and the rest is history. We had so many laughs and shed tears. Michelle you were an amazing mom friend grandmother to everyone. We lost contact on Facebook somehow then after years you popped back up. Only to hear you weren't doing well. “ I will miss you until I take my last breath. You were the best friend anyone could ever have. We were lucky enough to go from kids to mamas to grandmas together. I am happy you are no longer suffering but sad you're no longer with us down on earth. Thank you for all the love and great memories. Lylas4e&e 💜
