“ *Zack was more than a brother in law to me, he was a friend, a great uncle to my kids, like a little brother I never had. I met zack when he was 4 years old when I met his brother scott salyards. I watched him grow up to be a great person and it hurts that he never got the chance to be everything he could have been. I am going to miss him so much and he will always be in my heart. Goodbye Zack, I love you.*

“ Uncle Zack, You were the world's greatest uncle a niece could ever have. But you were more than an uncle you was like my big brother. Nobody could ask for more than you did. I will always miss you, but know you are my guardian angel watching out for me and making sure I am okay. I didn't want to believe my favorite uncle was gone but when I seen you laying in that casket I knew the nightmare was true. I love you uncle zack and will always love you. Until I get to see you again, goodbye. Your niece, Ashley

“ Zack was my uncle, the worlds best uncle, but not only an Uncle. He was more like a Big Brother to me. he always came to visit me, and my brother. Of course my mom too. I love my uncle with all my heart, and nobody can take that away from me. Ever since I'd seen you in the casket, I did not believe my eyes, but I know he's there and I know he will always be my Gurdian Angel. He will always protect me, and I love him for that. So thank-you zacky for always being there for me, and I love you zacky, promise to Guide with or without the wrong things I do. So... Goodbye...
Your lovely niece, Ashley

“ Zack was a wonderful friend. I miss him so much already. I remember meeting him through Jeanne. He was such a sweetheart. I miss his laugh and smile. I remember talking to him when he had moved to Rio Rancho or was going to. I remember thinking that maybe when I would go to Rowell again I would go see him. There are some memories that I have of him and I will hold them in my heart forever. I am so sorry for your lose. I know Zack went to a wonderful place and I am not going to say goodbye only see you later because I know I will see him sometime.

“ Zach was in my class since I was in kindergarten. We have known each other for 13 years. Zach was my close friend he was there when I needed him. Zach was the type of person who never had a hurtful bone in his body. He helped me pass some of my classes. The last time I saw Zach was in my english class my senior year. He sat right behind me and would always answer any questions I had and the last time I saw him he had lent me his english notebook and I never got to take it back to him. This is one of the many memories I will treasure that Zach and I shared. I loved the bingo and so did he. I would go to the bingo alone and he would always ask me if I wanted to sit with him. Everytime we talked we went back into memory lane. He was the greatest person and I will miss him very much. To his family I am so sorry for your loss. I will keep you in my prayers.

“ Bonjour, I was Zackary's French teacher. It was with great sadness that I heard the news about Zackary. He was so much fun to have in class and he was such a good role model for the other students. He also was not afraid to be challenged. He liked French but after the French II class he didn't know if he should continue. He felt he might not do well in the honors class. I told him the only thing that held him back in French II were his absences due to tennis. The next day he came in to show me his schedule...he had decided to take a very difficult course load saying "Madame, I know I can do this"and he did! When he missed class, he would come in at lunch to get caught up. That French III/IV class was a very close group. We all learned a lot and had a good time doing it. Zackary made the class interesting to say the least. The other students liked and respected him and when he was absent they would ask "Ou est Zackary?" "Where is Zack?" You and your family will be in my prayers. Joan Markham

“ Lonnie, Kelly, and the family my thoughts and prayers are with you and your family. Zack grew into a polite young man who you can all be proud of, although he wasn't around long, he did touch lives. Try to remember God has a plan for all of us and sometimes we can't make sense of it. If you need anything let me know.

“ Zach you did not lack in compassion for your family. You expressed it often in prayer requests during Teen Sunday School for your parents and extended family. Friends who were having troubles were also a frequent concern. Your friendly eyes, caring smile and heart full of love made you a welcomed presence in class. Your quick wit, literary skills and dreams of becoming an author, your willingness to help, the small acts of kindnesses, the respectful way you always addressed your Youth and Sunday School workers are memories that flood our hearts. Although we all will miss you, we have a hope of seeing you once again! We don't understand why God called you Home so quickly; but don't question His plan. We are truly thankful and feel blessed to have been your Youth Workers and grateful that God allowed our paths to cross. Until we meet again, we will have no worries knowing you are safe in the arms of Jesus. Our love and condolences to your family. Jones and Donelle

“ I give my deepest remorse to the family. Zack was an awesome friend to have. Him and I went to school together from middle school all the way till high school. Zack was one of the people i could go to that, would hear my problems and help me if he could. He always was there for people no matter if you needed to talk to him at 3 in the morning. He always put him self before others. Zack was a kind, and loving young man that did not deserve to leave us. I will greatly miss him. The one thing that i can look forward to is that i will see him again in heaven. Rest In Peace Zack Sincerly, Daniel Hernandez

“ In 2001, I was privileged to have gone to camp with Zack as a sponsor Roswell Baptist Church. He was so kind and thoughtful of others. I am grateful that I had the chance to know Zack. The sorrow we feel is lessened by the knowledge that Zack had put his faith and trust in Jesus Christ and because of that trust in the forgiveness of sin by the blood; we can all see him again. My deepest condolences to the entire family.

“ *Zack was a really good friend of my sister, Chanelle. I remember when they were young Zack would come over to the house often. He was such a sweet boy and he was always very polite to our family. After we relocated from Hagerman to Roswell, Zack would ride his bike to our house, located in the country to spend time with our family. We enjoyed his time and we will always love him. He will be missed SO much.*

“ *My heart aches at the loss of a good friend. Though we lost contact with each other more times than I count we always found each other again, and I am sad to say that the last time I saw Zack was the end of January, and then contact became lose once more in March. I thoroughly regret not taking that extra minute to tell him hi and that I love him immensely. I hope comfort finds his family, as I know they are mourning the loss of an amazing young man. “ We remember when Zach was about four years old and we took him, his brother, Scott, and our daughter, Angel, to a rodeo at the fair. My husband warned Scott and Angel about giving Zach too much sugar or he would be really wired. Well, they went and bought him the biggest coke out there and, needless to say, he was like a wild man at the rodeo. He was wearing a cowboy hat and would swing it around on his arm, throw it up in the air and yell and run around. It was quite a night, but it was a lot of fun. He was such a sweet young man and will be greatly missed.

“ To the Lee and Jones families, I am so saddened by the news of Zack's untimely death. Since my retirement, I have been teaching a lot at RHS. I first had Zack in my class during the spring of his freshman year, when I subbed quite a bit for his PE teacher. We were doing tennis and I saw such potential in him. Since tennis is my game, I encouraged him to keep at it and to take lessons. After that, we established a great rapport during his high school years. I had seen him shortly before the end of the school year and told him how proud I was that he had done so well in tennis and in school. Even though I had him a lot in class over the past 4 years, I never made the connection that he was that darling little baby born while I had your other kids at Military Heights. Please know that he will always remain in my heart. Love to you all, Mrs. Lucy Tucker

“ I am the mother of Matthew and Bobby Neeld. Tennis players with Goddard. We have spent many happy times at tournaments with Roswell. What fun memories. Zack would always come and sit beside me at tournaments and visit. What a sweet boy he was. I would always bring extra warmups, hoodies and blankets during cold season tournaments and Zack would always come without any of these items (until this last year) and I would always keep him warm with my extra items. He would always tell me how glad he was that I had these things to share. I will miss him. God bless you and help you through this hard time. All our love, Jackie Neeld
