Remember Me

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years.
Now I am contented.
That my life it was worthwhile,
Knowing that I passed along the way.
I made somebody smile.
When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps,
Only half a step behind.
So please don't be unhappy.
Just because I'm out of sight,
Remember that I'm with you,

Each morning, noon, and night.

“ My bright and beautiful baby sister will forever be remember as a bright and beautiful young lady... She always made our day with just her smile alone... Everytime you walked up into her room she had her music blasting or simply was just hanging out but always always stopped what she was doing to say hello... I miss her beautiful face.. and I so deeply miss her voice... My little sister gone too soon 🙏 forever in my heart ❤️
