in New Mexico, Three summers ago our niece Sharla and her family
visited our family. It was our first opportunity to spend a little time
with her sons and get to know them, Zayne was polite, outgoing and
charming and I am so thankful for that small amount of time we had
with him. We grieve with Sharla Joseph and Bryce at his loss.*

“ *May he shine as a bright star in heaven. May his memory sustain you through your grief. May the universe bestow you with peace. Sometimes love is not enough, and we suffer in ways that are incomprehensible. Hold on to each other; stay hopeful in the knowledge that there are things beyond our earthly control. Have faith in humanity, and what we share. Know that others feel your pain, and know that other have known your pain. God bless you!*
